What is the Buffalo Foundation?

The Buffalo Foundation is the prime membership organization for Tempe High School. The Foundation was established in 2006 by a small group of Administrators and Faculty for the purpose of bringing together students, parents, faculty, alumni and community to celebrate Tempe High's 100th Anniversary, and develop a sustainable financial resource which could provide funding and support for Tempe High, its students, staff, and educational programs.

The Buffalo Foundation provides financial assistance to Tempe High students, faculty, and staff, which enables them to participate in special activities when student activity funding is not available and allows them to more fully participate in cultural, performance and educational opportunities throughout the country.

In 2007, in celebration of our 100th Anniversary, we brought together our family of alumni and community partners to reconnect with our past and establish financial support for our future. The Buffalo Foundation became a 501(c)(3) non-profit charitable organization.

The Foundation continues to honor the alumni, community partnerships and educational endeavors of Tempe High. Foundation funding relies on membership dues, bequests, donations, and community support.

The Buffalo Foundation strives to preserve the proud traditions and rich history of Tempe High School and serves as an alumni association.

Members receive annual newsletters. Our Annual Meeting features the induction of new members into the Tempe High "Circle of Honor" which recognizes alumni, faculty, and friends of Tempe High for excellence in educational, professional, and community achievement.

We are proud to announce our Inductees into the first Buffalo Foundation "Circle of Honor" and Grand Marshals for our 100th Anniversary Homecoming Parade in October of 2007
